

Queen of Peace students stand on the site where the new playground is going to be!

Pre-K Queen of Peace Students Ready for New Playground!

A new playground for Queen of Peace Catholic School is on the way and the students cannot wait.

Recently, Queen of Peace students visited the site for a pre-groundbreaking ceremony for the new school playground.

And as you can see from the photo above, the students are happy about the new playground. They are even shovel-ready to get to work!

The playground is being funded by a Salem Catholic Schools Foundation Bricks, Mortar and Technology Grant which Queen of Peace was awarded last Spring.

The real groundbreaking will occur the first weekend in November.
